Sub: **"Ayuveer" products now available on Myntra for purchase.**

Dear Sir,

We are exhilarated to announce that our brand Ayuveer has achieved a significant milestone by having successfully completing the onboarding process on Myntra. Our products are now available on Myntra's E-commerce Portal and the online app for purchase.

Myntra is one of the top most E-commerce platforms in India, being a host to a wide array of merchandise including personal care and skincare products. This step will prove to be a great benefit for our brand's visibility and market opportunities.

Now we have our presence across all leading E-commerce platforms like Amazon, Flipkart, Nykaa, Glowroad, Jiomart and Myntra. With this presence, we are expecting to get a substantial addition to our revenue in the current financial year.

You are requested to take the above on record.

Thanking You.

Yours truly,
For **Veerhealth Care Limited**
